Dear Parents and Carers,

I am writing to inform you that there will be no weekly spelling tests until after the half-term break. Instead, we are excited to announce that we have signed up for Spelling Shed, a new and engaging platform for teaching spelling.

Spelling Shed is part of the Ed Shed family of educational resources and we believe it will greatly enhance the way children learn and practice their spelling skills.

While there will be no formal tests for the time being, your child will still receive weekly spelling lists online, which they can practice through fun and interactive games on the Spelling Shed platform. We encourage you to support your child in accessing these games online each week as they are designed to reinforce their learning. **(Your child's log in details will be stuck in their diaries).**

We will be sharing more information soon about how to make the most of Spelling Shed at home.

Thank you for your continued support and we look forward to seeing the positive impact this new scheme will have on the children's spelling progress.

If you have any questions, please don't hesitate to get in touch.
