Trips and experiences 2026-2027- Universal offer

At St Anne's, we believe that experiences and trips enhance the children's learning. Listed below is an universal offer that we offer the children at St Anne's at their time at school. We want our children to leave St Anne's having had experiences of theatre, an art museum, an orchestra, a pantomime, a national park, a museum as well as having visited difference places of worship, a library and a farm.

We ask all parents for a contribution of £40 at the start of the year to help subsidise these trips.

These experiences are our universal offer for the children at St Anne's. These will be supplemented by other experiences, local trips, visits and parents will be informed.
